Listen to Our Clients...

The photographers are wonderful! They are always very friendly with the children. They never rush them, and are patient with those that need a little extra time.” Melonie Brown - Sunshine House - Acworth, GA

Hey! My son goes to Snellville Montessori School in Snellville Georgia, and recently had pictures taken by your company. I'm absolutely in love with the pictures, they were done so beautifully and were a million times better than the last company they had pictures done through.

Hey Elaine, Your team was awesome and we thoroughly enjoyed having them here. They worked quickly and responded well to the children. They got smiles out of children who NEVER smile. We were more than impressed. I can't wait to see the pictures. Thank you so much!
Shalitha Lawrence-Office Manager R. Kirk Landon Learning Center

First off, I just wanted to say thank you again to Village Photography for doing a fantastic job on my son's school photos! My son has been attending Stepping Stones ETC in Griffin for 3 years now and all 3 years Village Photography has done an amazing job with his school photos! I can not rave enough about the quality of the pictures or the fact that the photographer is able to catch the "perfect" smile of my son! Thank you! Thank you!
